Mr E. B. Poole
Virginia Union
Richmond Va.

Dear Mr Poole:

I am writing first of all to enclose check for balance due on The Eagles account, for expenses of training period. Thank you for your cooperation.

I sent you a wire last night, asking you to help me locate a package shipped to us from Chicago in your care. The package contained jackets made by the Wilson Co. in Chicago. They were shipped to The Newark Eagles Baseball Club, c/o Mr Poole, on April 24th, and should have arrived long before now. The waybill no. was 5231.

I wired Chicago and they asked me to have them traced from Richmond. The procedure is to call Railway Express and ask them to trace the package. If you can assist me I will be very grateful to you. It is bad to be without jackets at any time, but it is really dangerous for the club to be without them in this kind of weather, especially playing ball at night. I am sure you have seen Mr Manley by now, but I thought I had better write you as he may not have all the information with him such as the waybill no.

Please accept my thanks in advance if you can do anything to assist.

Very Truly Yours
